KRISH VIEWS

TECHNICAL CREDIBILITY & SAFETY CONTROL SYSTEM

Engineered under strict off-road motorsport standards to ensure maximum obstacle engagement with zero compromise on safety.

01 • Track Planning & Topography

Scientific trail surveying utilizing natural terrain gradients, approach/departure angles, and rock lines.

02 • Obstacle Design & Grading

Tiered technical stages calibrated for stock 4WDs, modified rigs, and professional extreme crawlers.

03 • Expert Technical Guidance

Veteran off-road trail leaders briefing drivers on line selection, gear ratios, diff-locks, and wheel placement.

04 • Marshal Coordination Grid

Dedicated marshals positioned at every obstacle with high-visibility flags, radios, and spotter commands.

05 • Heavy Winch & Recovery Units

Staged 4×4 recovery vehicles equipped with kinetic ropes, tree-savers, rated shackles, and electric winches.

06 • Paramedic & Trauma Readiness

On-site 4WD rapid evacuation ambulance, trauma physicians, and direct liaison with Malar Hospital.

STRICT VEHICLE SCRUTINY, MANDATORY SAFETY GEAR, AND LICENSED MEDICAL TRAUMA CREWS ON SITE.

MORE THAN AN EVENT: AN AUTOMOTIVE AUDIENCE PLATFORM

An experiential off-road proving ground uniting motorsport adrenaline, driver skill, and commercial brand engagement.

"This is not simply a logo sponsorship opportunity. It is an automotive ecosystem where brands participate, demonstrate, engage, and generate business."

STAGE 01 • ADVENTURE

Authentic rugged terrain and real off-road testing.

STAGE 02 • SKILL

Technical obstacle navigation and driver capability.

STAGE 03 • EXPERIENCE

Immersive on-ground participation for owners and seekers.

STAGE 04 • ENGAGEMENT

Direct product demos, technical zones, and brand interaction.

STAGE 05 • CONTENT

Cinematic media production distributed across social networks.

STAGE 06 • BUSINESS

Measurable customer leads, showroom visits, and sales ROI.

AN AUTOMOTIVE PLATFORM WHERE BRANDS PARTICIPATE, DEMONSTRATE, ENGAGE AND GENERATE BUSINESS.

WHY WE ARE BUILDING THIS

The modern automotive enthusiast journey transcends simple ownership into lifestyle expression, capability, and community.

01 OWN	02 DRIVE	03 EXPERIENCE	04 EXPLORE	05 MODIFY	06 PROTECT	07 SHARE
VEHICLE OWNERSHIP	PURPOSEFUL DRIVING	REAL-WORLD CHALLENGE	TERRAIN EXPLORATION	PERFORMANCE UPGRADE	CARE & MAINTENANCE	CONTENT & COMMUNITY
Acquiring capable 4×4 machinery and personal mobility.	Testing boundaries beyond paved city streets.	Encountering technical rock, mud, and inclines.	Discovering off-grid trails and remote geography.	Tyres, suspension, winches, armour, and accessories.	Specialist lubricants, detailing, and service support.	Documenting expeditions and inspiring active peers.

MadProTek Adventure Trail connects automotive brands directly with high-intent vehicle owners across every phase of this lifecycle.

CORE FOCUS

Automotive, Fintech & Experiential Media

01

Digital Platform Engineering

Building scalable technology platforms, interactive portals, and lead generation infrastructures.

02

Brand Authority & Strategy

Transforming regional enterprises into recognised market leaders through high-impact positioning.

03

Broadcast Media Production

Cinematic 4K automotive videography, documentary storytelling, and targeted multi-channel distribution.

04

Experiential Property Execution

Conceiving and delivering large-scale community properties, technical automotive challenges, and corporate forums.

ENTERPRISE DIGITAL STRATEGY • CINEMATIC AUTOMOTIVE PRODUCTION • PROPRIETARY COMMUNITY PROPERTIES

FROM DIGITAL TO EXPERIENCE

Bridging online reach and physical engagement into a seamless commercial impact engine.

01• DIGITAL

Awareness & Intent

- ✓ Social media campaign
- ✓ Targeted 4×4 audiences
- ✓ Video teasers & reach
- ✓ Lead capture portals

02 • PHYSICAL

Live Proving Ground

- ✓ 9 technical obstacle zones
- ✓ On-ground brand booths
- ✓ Live product demos
- ✓ Direct driver interaction

03 • CONTENT

Cinematic Authority

- ✓ 4K vehicle obstacle reels
- ✓ Brand integration clips
- ✓ Driver & sponsor spotlights
- ✓ Post-event aftermovie

04 • BUSINESS

Measurable Commercial ROI

- ✓ Verified customer leads
- ✓ Service appointment bookings
- ✓ Dealer test-drive enquiries
- ✓ Long-term brand recall

EXPERIENCE → INTERACTION → TRUST → RECALL → BUSINESS

4.LO Adventures By Krish Views

SEAMLESS CROSS-FUNCTIONAL GOVERNANCE ENSURING OPERATIONAL EXCELLENCE AND HIGH SPONSOR DELIVERABLES.

THE TRACK CONCEPT: 15 NATURAL & TECHNICAL OBSTACLES

A curated 3-4 acre obstacle circuit designed to rigorously test all dimensions of 4×4 performance.

and

INDIVIDUAL OBSTACLES ARE AVAILABLE FOR EXCLUSIVE BRAND NAMING RIGHTS.

THE EXPERIENCE JOURNEY: 8 SEQUENTIAL STAGES

From morning check-in to podium celebration — a meticulously choreographed experiential timeline.

STAGE 01 • ARRIVE

Reception, registration verification, welcome kit distribution & rig staging.

STAGE 02 • BRIEF

Safety protocol briefing, trail rules, marshal introductions & obstacle walkthrough.

STAGE 03 • PREPARE

Tyre deflating to trail PSI, 4WD low-range engagement & sponsor decal application.

STAGE 04 • EXPERIENCE

Navigating preliminary technical zones with dedicated marshal spotting.

STAGE 05 • CONQUER

Tackling extreme obstacles, rock crawls, and articulation challenges.

STAGE 06 • CAPTURE

Dedicated 4K camera crews capturing high-action vehicle obstacle moments.

STAGE 07 • RECOGNISE

Podium trophy ceremony, certificates, and partner gift presentations.

STAGE 08 • SHARE

Instant social reels, high-res photo gallery distribution, and community amplification.

CHOREOGRAPHED TO MAXIMIZE DRIVER ADRENALINE, SPECTATOR EXCITEMENT, AND SPONSOR BRAND INTEGRATION.

WHO WE WANT TO REACH: 4 CORE SEGMENTS

Engaging high-purchasing-power automotive owners, adventure consumers, and industry decision makers.

01

Automotive Enthusiasts

Passionate owners of Mahindra Thar, Scorpio-N, Maruti Jimny, Toyota Fortuner, Hilux, and Isuzu V-Cross who actively invest in upgrades.

02

Adventure Seekers

Outdoor professionals seeking adrenaline, overland camping, nature exploration, and memorable weekend expeditions.

03

Young Active Audience

Digital-first creators, tech professionals, and lifestyle trendsetters who amplify brand experiences across social channels.

04

Automotive Buyers & Upgraders

Prospective vehicle purchasers seeking real-world proof of capability before making dealership buying decisions.

TARGETING HIGH-INTENT AUTOMOTIVE OWNERS, ADVENTURE SEEKERS, AND COMMERCIAL BUYERS.

WHY AUTOMOTIVE BRANDS SHOULD CARE

Off-road enthusiasts represent the most profitable lifetime customer lifecycle in the automotive sector.

BEFORE THE EVENT

- ✓ Vehicle purchase & dealership enquiry
- ✓ All-Terrain / Mud-Terrain tyre fitment
- ✓ Suspension lift kits & underbody armour
- ✓ Comprehensive insurance & extended warranty

DURING THE EVENT

- ✓ Live product demonstration & torture test
- ✓ On-ground lubricant & fluid performance
- ✓ Emergency recovery winch validation
- ✓ Immediate driver feedback & brand trial

AFTER THE EVENT

- ✓ Post-trail washing, detailing & ceramic protection
- ✓ Workshop routine maintenance & fluid changes
- ✓ Replacement parts, lighting & accessory additions
- ✓ Long-term brand loyalty & community referrals

THIS CREATES A COMPLETE CUSTOMER JOURNEY FROM PRE-EVENT PREPARATION TO POST-EVENT MAINTENANCE.

SPONSOR CATEGORY OPPORTUNITY

Tailored brand integration avenues across eight distinct commercial sectors.

CATEGORY 01

Automotive OEMs & Dealerships

Vehicle displays, test drive registrations, product showcase.

CATEGORY 02

Tyre Manufacturers

Official tyre partner, live obstacle grip demos, tyre pressure lounge.

CATEGORY 03

Car Care & Detailing Brands

Post-trail wash station, mud-removal demos, ceramic coating promos.

CATEGORY 04

Garages & Performance Workshops

Technical inspection zone, live obstacle recovery assistance, custom build showcase.

CATEGORY 05

Off-Road Accessories & Armour

Winch, bumper, roof rack, lighting, and recovery board display.

CATEGORY 06

Lubricants & Coolants

Engine performance partner, high-temperature fluid protection showcase.

CATEGORY 07

Auto Insurance & Finance

Specialist off-road / 4WD insurance products, vehicle loan desks.

CATEGORY 08

Outdoor & Lifestyle Brands

Apparel, boots, eyewear, camping gear, energy drinks & nutrition.

TAILORED ACTIVATION FORMATS ENGINEERED FOR EACH SPECIFIC COMMERCIAL SECTOR.

BRAND OBJECTIVES: 6 MEASURABLE PILLARS

Engineered to deliver quantified outcomes for marketing directors and brand managers.

01
Brand Awareness
High-impact exposure across digital, print, and physical event assets.

02
Audience Engagement
Direct conversations with passionate 4×4 owners and decision makers.

03
Product Education
Demonstrating real-world technical durability, grip, and performance.

04
Lead Generation
Capturing verified prospect enquiries via integrated QR & digital funnels.

05
Content Creation
Obtaining broadcast-grade 4K photo and video assets for proprietary marketing.

06
Community Building
Establishing enduring goodwill with regional off-road clubs and influencers.

QUANTIFIED OBJECTIVES DELIVERING MEASURABLE MARKETING ROI AND SUSTAINED COMMERCIAL GROWTH.

DIGITAL STRATEGY & SOCIAL ECOSYSTEM

A coordinated 360° omni-channel media engine amplifying partner visibility.

Instagram

Reels, stories, vehicle spotlights & obstacle highlights

YouTube

Long-form 4K cinematic event documentary & sponsor features

Facebook

Automotive club outreach, community groups & event events

Google Search

Local SEO, event discovery & sponsor keyword association

WhatsApp Broadcast

Direct participant communication, schedule updates & sponsor offers

Official Website

Dedicated registration portal, partner logos & live leaderboard

LinkedIn

Corporate B2B highlights, partner announcements & executive coverage

Creator Network

Automotive vloggers and off-road influencers on-site

CONTENT ROLLOUT PIPELINE

Event Announcement • Registration Launch • Obstacle Teasers • Vehicle Features • Sponsor Reveals • Participant Stories • Countdown Hype • Behind The Scenes

A COORDINATED 360° OMNI-CHANNEL MEDIA ENGINE AMPLIFYING SPONSOR VISIBILITY.

SPONSOR CONTENT JOURNEY

Continuous, non-stop brand narrative before, during, and long after the event weekend.

PRE-EVENT PRESENCE

✓ Co-branded social media posters & announcement flyers

✓ Sponsor introduction reels & logo placement on registration portal

✓ Dedicated sponsor spotlight articles & WhatsApp broadcast features

✓ Inclusion in official event press releases & automotive blogs

LIVE EVENT BRANDING

✓ Prominent trackside archways, obstacle banners & flag poles

✓ Sponsor stickers on all 25–30 participating 4×4 vehicles

✓ Dedicated on-ground product display & interactive customer booths

✓ MC live mentions throughout obstacle challenges & podium ceremony

POST-EVENT ASSETS

✓ Permanent branding in official 4K YouTube event aftermovie

✓ High-resolution photo gallery with rights for sponsor commercial use

✓ Custom sponsor-specific video cutdowns for corporate marketing

✓ Comprehensive ROI, media reach & participant feedback report

CREATING A CONTINUOUS COMMERCIAL ASSET THAT RETAINS VALUE MONTHS AFTER THE EVENT.

ON-GROUND BRANDING & SITE VISUALIZATION

Strategic physical touchpoints designed for maximum spectator and camera visibility.

ENTRY

Main Entry Archway

Massive welcoming arch with Title and Powered By sponsor branding.

TRACK

Trackside Banners & Gates

Obstacle boundary boards, directional arrows, and high-impact flags.

VEHICLES

Vehicle Door & Windshield Decals

Mandatory official partner sticker packs on all 25–30 rigs.

STAGE

Podium & Briefing Backdrop

High-resolution press wall for driver briefings and awards ceremonies.

MEDIA

Media Center & Interview Wall

Dedicated backdrop for driver interviews and creator podcasts.

HOSPITALITY

VIP & Food Lounge

Branded tentage, table talkers, refreshments area, and seating.

STAFF

Official Marshal & Crew Apparel

High-visibility vests, shirts, and caps featuring sponsor logos.

360-DEGREE VENUE INTEGRATION DELIVERING DOMINANT SPECTATOR AND BROADCAST VISIBILITY.

TYRE BRAND ACTIVATION: THE TECHNICAL TRACTION ZONE

The ultimate proof-of-performance stage for all-terrain and mud-terrain tyre manufacturers.

- ✓ Traction & Rock Grip: Live obstacle demonstration showcasing tyre tread block interlocking on granite boulders.
- ✓ Sidewall Puncture Resistance: Proving 3-ply sidewall durability against sharp jagged shale and rock edges.
- ✓ Mud Evacuation Technology: Visual display of deep tread siping clearing wet sticky clay during high-torque climbs.
- ✓ Trail PSI Pressure Lounge: Branded air-down / air-up station providing technical tyre pressure recommendations to drivers.
- ✓ Tyre Health & Wear Advisory: Expert tyre technicians offering complimentary tread depth and alignment evaluations.

POSITION YOUR TYRE BRAND AS THE INDISPENSABLE CHOICE FOR SERIOUS OFF-ROAD CAPABILITY.

CAR CARE, GARAGE & WORKSHOP ACTIVATION

Transform post-trail muddy vehicles into commercial service bookings and detailing customers.

01 • Live Mud-Removal Demo

Showcasing specialised foaming degreasers and underbody chassis cleaning gear on heavily soiled 4×4s.

02 • Ceramic & PPF Protection

Demonstrating scratch resistance and hydrophobic paint coatings against harsh trail bush.

03 • Technical Diagnostic Bay

Free OBD-II scanning, suspension bushing inspection, and 4WD driveline fluid health checks.

04 • Specialist Upgrade Packages

Promoting lift kit installations, snorkel fitments, and bespoke custom fabrication services.

SCAN QR → INSTANT ENQUIRY → BOOK WORKSHOP SERVICE

SPONSOR ROI: 5 CORE VALUE PILLARS

Quantifiable returns engineered into every layer of the partnership agreement.

01
Brand Exposure

Hundreds of thousands of targeted digital impressions plus dominant on-ground visibility.

02
Audience Engagement

Direct face-to-face dialogues with verified high-net-worth 4×4 vehicle owners.

03
Content Asset Value

Full commercial ownership of 4K cinematic photo and video assets for year-round marketing.

04
Lead Generation

Capture of qualified, pre-vetted customer leads for vehicle sales, service, or parts.

05
Customer Relationship

Building enduring emotional trust and brand advocacy within a passionate automotive community.

1,000+
Meaningful Digital Engagements

Targeted regional off-road enthusiasts viewing dedicated partner content

100+
Event-Level Interactions

Direct face-to-face booth discussions, test drives, and technical inquiries

50+
Qualified Sales Leads

Pre-screened vehicle owners requesting service bookings, tyre quotes, or upgrades

EVERY SPONSORSHIP DOLLAR IS ENGINEERED FOR HIGH AUDIENCE ENGAGEMENT AND MEASURABLE PIPELINE REVENUE.
